'TREATMENT-OF-VIRAL-ILLNESSES' SEMINAR SCHEDULED IN MILES CITY

MISSOULA--

The School of Pharmacy and Allied Health Sciences at the University of Montana will hold a seminar on "The Treatment of Viral Illness" on Sunday, March 11, from 8:30 a.m. to 3:45 p.m. in Room 106 at the Miles Community College in Miles City.

Pre-registration is encouraged and should be done 10 days prior to the date of the seminar. Costs with pre-registration are \$30 for one session, \$55 for two, and \$80 for three. Cost per session for those registering at the door will be \$35 for any six-hour seminar.

The objective of the seminar is to list common viral illnesses caused by a specific group of viruses, describe the use of antiviral agents in treatment of infections caused by DNA and RNA viruses, discuss new developments in vaccines and interferons, list various drugs used for symptomatic treatment of the common cold, and describe the non-drug measures taken against a viral illness.

For more information on pre-registration, contact the Center for Continuing Education, University of Montana, Main Hall 125, Missoula, MT 59812.
